

Trend Building is a leading construction company delivering quality construction services across Australia. We commit to achieving the highest standard of WHS performance throughout all aspects of our construction business.

Trend Building commits to providing a safe and healthy work environment for all workers, visitors, and others affected by its operations, in order to prevent any work-related injuries or illness.

Trend Building has set WHS objectives with the goal of:

- Providing a safe workplace and eliminating hazards and risks,
- Consulting with workers or HSRs on WHS issues,
- Providing appropriate training to workers,
- Complying with all relevant legal requirements, and
- Continually improving WHS performance.

This policy has been implemented and communicated throughout Trend Building and is made available to workers and other interested parties.

The relevance and appropriateness of this policy is assessed during Internal Audits.
