

At Trend Building, we are committed to providing exceptional construction services to our clients throughout Australia. Our mission is to deliver high-quality craftsmanship and innovative construction solutions that ensures the highest standards of client satisfaction in every project we undertake.

To ensure its clients receive exceptional service and support, Trend Building has established the following quality objectives:

- Consistently and efficiently delivering services to our customers that comply with their specifications and relevant standards,
- Giving our clients the utmost confidence in our products/services and our ability to meet their needs and expectations,
- Providing our workers and contractors with adequate resources, information and training to competently perform tasks to the required standard of quality, and
- Ensuring compliance with all relevant legislative, regulatory and other requirements placed upon Trend Building.

Trend Building is committed to achieving the above objectives and continually improving its performance to maintain its position as a leading provider of construction services.

This policy has been implemented and communicated throughout Trend Building and is made available to workers and other interested parties.

The relevance and appropriateness of this policy is assessed during Internal Audits.
